

Department 51 Tractor Pull

Tinker Kiesman, Superintendent
Box 284, North Conway, NH 03860
(603) 356-5248

Fryeburg Fair assumes no responsibility for loss, theft, or injury of any participant or property competing. As Safety is of the most importance, anyone not operating safely will be asked to leave the grounds. Any unsportsman-like conduct will be an immediate disqualification of the vehicle driver and pit crew, any purses won will be reneged.

In case of a dispute or misunderstanding, the decision of the judges or superintendents will be considered fair, impartial and final.

Judges decision will be final on any point of controversy, and any disagreement will result in disqualification.

The contest operational rules will follow the current National Tractor Pullers Association (NTPA) general rules.

The following are rules for STOCK CLASSES.

1. All tractors have to be stock, all tractors may be checked on the dyno or checked with a RPM meter, a 10% overage will be allowed.
2. Contest open to tractors with rubber tires, no 4 wheel drives allowed, no dual tires, no tire studs or chains permitted. All power must be transmitted through the wheels.
3. Drivers 16 and 17 years of age are permitted to pull with parental permission.
4. Each tractor may enter 2 classes.
5. Tire sizes are limited to up to 18.4.
6. Only 1 driver may drive the same tractor in each class.
7. Weight of tractor shall include the driver.
8. Chain must be hooked to the following drawbar specifications. Minimum draw bar length 18" from center of rear wheels to point of hook measured horizontally, drawbar to be stationary in all directions. Maximum height of 20" from the top of hitching device, perpendicular to the ground. Drawbar must be equipped with steel hitching device not more than 1" thickness, with a **3" diameter opening**; cross-sectional thickness must be 7/8" minimum. Pulling point may not be more than 1.5" from the back edge of hitching device. No supports attached to the drawbar.
9. No portion of the tractor may interfere with the sled or sled hitch during the pull.
10. All weight must be safely secured to the tractor and must not extend rearward beyond rear tires 6" or be more than 24" in front of tractor to front of weight.
11. All tractors must be equipped with workable rear wheel brakes.
12. All tractors must have a strong and rigid seat; all tip seats must be securely fastened while pulling.
13. The use of stabilizer bars is strongly recommended.
14. All tires will turn in correct rotation.
15. There will be no ether cans on the tractor or in the driver's possession while on the pulling track.
16. All tractors will use fuel originally designed for tractor.

17. All tractors will have power take off shaft in normal working condition and not slipping.
18. Excessive oil and water leaks are subject to disqualification.
19. Any weight that falls off while under the green flag will be grounds for disqualification.
20. Contestants must pull at position drawn within 3 minutes of time sled is at readiness, any delay will mean disqualification. If presiding judge is notified he may drop a contestant having mechanical problems.
21. Any unsportsman-like conduct will be an immediate disqualification of the tractor driver and pit crew; any purses won will be reneged.
22. In case of a dispute or misunderstanding, the decision of the judges or superintendents will be considered fair, impartial and final.
23. Judges decision will be final on any point of controversy, and any disagreement will result in disqualification.
24. The contest operational rules will follow the current National Tractor Pullers Association (NTPA) general rules.
25. A registration fee of \$10.00 per class will be charged for all classes.

Tractors - Sunday, September 30, 2007 4:00 PM
